

DOMAINE DE JUCHEPIE

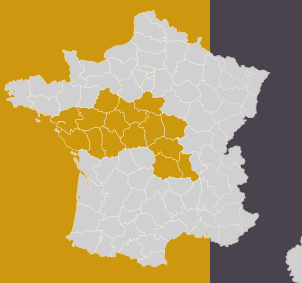

LOIRE VALLEY | FRANCE

Domaine de Juchepie, in the heart of the Coteaux du Layon, is the result of a wonderful adventure. When Belgian-born Eddy & Mileine Oosterlinck - Bracke bought this land in 1985, they had no idea they were going to make wine here. But their passion for this terroir caught up with them and today they have been entirely devoted to their wine production for over 20 years.

WHAT WE LIKE

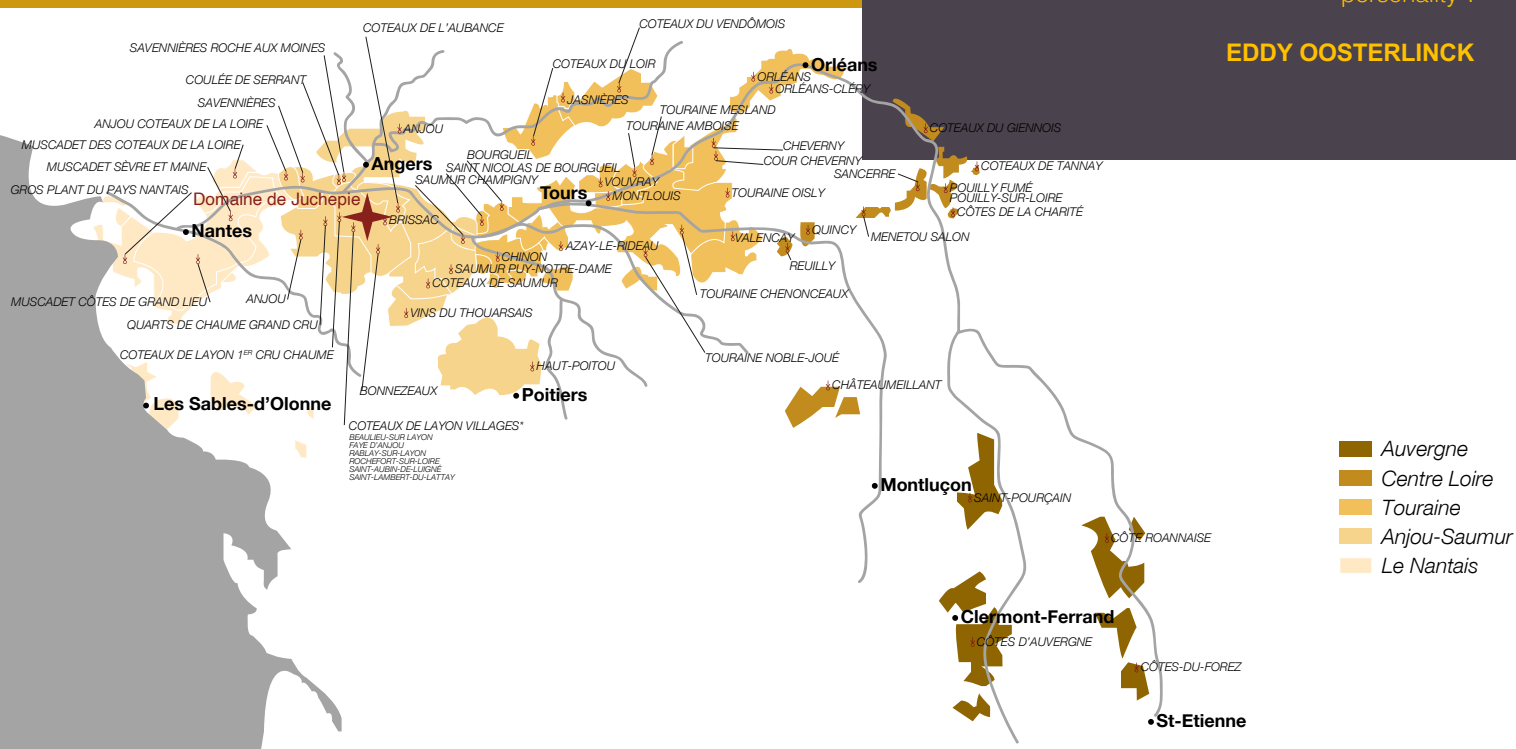

- ∞ The expression of Chenin. In the Domaine Juchepie wines, Chenin takes pride of place. It is vinified as a dry, sweet or syrupy wine, in new or old barrels, in stoneware jars - so many variants that highlight the typical characteristics of the Angevin terroir.

“At Juchepie we cultivate our vines biodynamically, to produce wines that are as close to nature as possible and that are imbued with their terroir.

This allows us to make wines with more character and, above all, with a unique personality”.
